

**Passport Through Poolesville
Spring Community/Business Fair 2010
Saturday April 10 10am-3pm
Poolesville Elementary School
Vendor Application**

Does your business need more exposure?

Participate in the First Annual Poolesville Area Spring Community/Business Fair sponsored by the Community and Economic Development Committee and Poolesville Area Chamber of Commerce. 20837Biznet had a good business fair last spring. We are expanding on that and plan to make it even bigger and better! Your neighbors need to know that your business exists. We want them to shop locally. If you do not have a store front business then this is the venue of the year to showcase your business! If you do, let us bring the customers to you!

- We will be advertising extensively to the community
- Community groups will perform to draw traffic to the event
- Prizes will be given out (Best Booth to vendors, raffle prizes to attendees)
- Attendees will be given a Passport that will be stamped at each booth (to be eligible for raffle prizes)
- Anyone who is anyone in the Poolesville Area will be there!

Limited space for vendors. First come first served.
